

Brumby Gymnastics Club

April Newsletter 2025

The Official Club Update!!!

COMPETITION NEWS.....

We have had lots of competition success already this year with 20 gymnasts entering the Easter friendly competition at Phoenix. All the gymnasts won medals and had a wonderful experience. We have lots more competitions throughout 2025 the next one is a Yorkshire floor and vault heat on Sunday 4th May in Hull. Good Luck Girls!

CLUB CHAMPIONSHIPS FOR BADGE CLASSES – SATURDAY 19th JULY

We will be holding our annual club championships again this year for all our members to showcase to you what they have been learning and give them the chance to get the feel of a competition.

FEES

Polite reminder: Fees should be paid on the 1st of EVERY month and a standing order should be in place. We have to keep chasing payments every month which is very time consuming. Thank you.

FUNDRAISING

As most of you are aware the club has been trying to raise money and applying for grants since before COVID for a brand new

(much needed) full size sprung floor area. As you can imagine it is not an easy task and is certainly not cheap!

This will bring so much benefit to the gymnasts and the club. We have limited space during sessions so this will help give the gymnasts breathing space. Our competition kids are at a massive disadvantage now due to not being able to practice their floor routines on a full-size floor before competitions.

We have started sponsorship packages to help support our fundraising efforts. If you own/ work for a local businesses or company and think you could help us, please let us know. Our yearly sponsorship package is £350 which includes an advertising sign outside the gym, your logo on our Facebook, Instagram, and website.

We will keep you updated on our progress, in the meantime if there are any parents who are willing to help us with fundraising along the way it would be very welcomed.

EXCITING NEWS:

We have finally been granted planning permission for the gym extension!! We can't wait to see what the future holds.

Coaches Achievements

Coach Marianne was nominated for the British Gymnastics' Young person of the year' award and was shortlisted to be a finalist. being named a finalist is a testament to her outstanding contributions and commitment to Brumby Gymnastics Club.

Tiarney has passed her Woman's Artistic Club Judge Exam.

Marianne has passed all 4 of her level 3 coaching modules as well as her theory meaning she is now a fully qualified level 3 Woman's Artistic Coach.

Jenny has passed her first level 3 module.

We've had 8 of our senior gymnasts and now young coaches attend training in York and Retford to gain their core proficiency coaching award.

Kirsty has also passed her level 1WA coaching award.

Thank you for your continued support of Brumby Gymnastics.
